Dear Bronco Enthusiast,

Mid-Atlantic Early Broncos club is excited to announce the completion of a 50th Anniversary Commemorative Quilt showcasing Bronco events, clubs, and vendors who support the use and restoration of the Ford Bronco. Throughout 2015, we asked for your support in helping us to create this one-of-a-kind quilt. After lots of time, effort and discussion, the quilt has finally been made and we have begun the distribution of tickets. Attached, please find some photos of the finished quilt and a flyer that can be duplicated to announce the quilt.

The quilt is simply amazing! It is a king size (109'x109'), 50-panel, double sided quilt with custom embroidery. The quilt will be shown at several Bronco events throughout 2016. The winner will be chosen on December 31, 2016 and will be selected in connection with the PA Daily Number. Tickets are available for a \$10 donation and 100% of monies collected from the distribution of tickets will be given to the charity Special Operations Warrior Foundation.

MEB is excited about this charitable event and our goal is to raise \$10,000 for the charity. In order to help us promote the quilt and reach our goal, we would like to ask your assistance in disseminating information about the quilt to your members, associates, or employees. Due to logistics, it is impossible for us to attend all the 50th Anniversary Bronco events in 2016. If you are interested in purchasing a group of tickets for your membership, associates, or employees we would welcome your charitable contribution. These tickets would make a great member or employee appreciation gift.

The contact for the 50th Anniversary Commemorative Quilt is Anita Weaver, 50th Anniversary Fundraising Chair, of Mid-Atlantic Early Broncos. You may contact her via email at twaw2@comcast.net. We are pleased to have your organization represented on this very unique quilt and we look forward to your support in this nationwide effort to raise funds that will benefit Special Operations Warrior Foundation.

Stay safe as you celebrate Ford Bronco's 50th Anniversary!

Sincerely,

Judy Payne,
President
